**Accessibility:** CDPS is committed to the full inclusion of all individuals. As part of this commitment, CDPS will ensure reasonable accommodations are provided to enable all people to engage fully in our trainings, meetings and events. To request accommodations, please contact [Jill.Trowbridge@state.co.us](mailto:Jill.Trowbridge@state.co.us) or at 303-239-4526 prior to 1 week before the meeting. Please make sure to also let us know if you need any of the materials in an alternative format.

**Schedule Changes:** Please note that SOMB meeting agenda items are subject to change based on the priorities of the Board and quorum. Participants should plan their time and attendance accordingly.

**Meeting rules and expectations:** Public participation is invited at all SOMB meetings and Sub-Committee meetings. In order to keep the meeting running smoothly, we request that you please raise your hand and wait your turn to be called upon. The focus of this meeting is to discuss broad, state-wide policy development and decision items. Personal cases or experiences should only be shared if they are relevant to the issue being discussed. This is not the proper forum to obtain a remedy for an individual case. Also, the members who attend these meetings are here to address these broad policy issues, not to deal with individual cases or complaints. If you want to contact a member about an individual case with the exception of the members who are Judicial Officers, please do so at the member's office where they can access the necessary information to assist you. Thank you in advance for respecting the need to keep the discussions focused and for your courtesy in recognizing that members should be contacted at their own offices about matters outside the SOMB meeting agendas.

**Anti-Harassment and Discrimination Conduct:** The Office of Domestic Violence and Sex Offender Management, believes that an equitable, diverse, and inclusive workplace is one where all employees and community partners, whatever their gender, race, ethnicity, religion, national origin, age, sexual orientation, gender identity, citizenship status, education, disability, socio-economic status, or any other identity, feel valued and respected. Staff are required to follow this decree and must also comply with the Colorado Department of Public Safety Code of Ethics and Professional Conduct Policy, Number 1.06.006 and the Discrimination Policy, Number 1.02.005. The ODVSOM is dedicated to providing a harassment-free experience during training and conference events for the public. Harassment includes but is not limited to: offensive verbal comments related to gender, sexual orientation, disability, gender identity, age, race, religion, as well as deliberate intimidation, stalking, following, harassing photography or recording, sustained disruption of talks or other events, inappropriate physical contact, and unwelcome sexual attention. ODVSOM staff are permitted to require individuals engaging in harassing behavior to immediately cease the behavior. Individuals who are asked to stop engaging in harassing, abusive, or threatening behavior are expected to comply immediately.
